COVER SHEET

NORMAN B. LIVERMORE JR.

RESOURCES AGENCY ADMINISTRATOR

Norman B. Livermore Jr. recently appointed Resources Agency Administrator was born in San Francisco and is a fourth generation Californian.

He was married in 1943 to Virginia M. Pennoyer and has two daughters, Edith 22 and Pauline 20, and three sons, Norman the third, Samuel and David.

Livermore attended Stanford University and received an A.B. Degree in 1933. After attending Harvard Graduate School of Business in 1933 and 1934, he returned to Stanford University where he received an M.B.A. Degree in 1936.

While in college he played baseball, football, and competed in track. He was captain of the Stanford Baseball Team in 1933 and in 1936 was with the U. S. Olympic Baseball Team which performed in the Berlin Olympic Games.

He was in the U. S. Naval Reserve from 1942 through 1945. He was assigned as air liaison officer with the amphibious troops and was with the U. S. 45th Infantry Division during their combat landings in Sicily. Livermore was also with the U. S. Navy and Marines during their landings on Palau, Iwo Jima and Okinawa.

Livermore received a letter of commendation for the Iwo Jima and Okinawa campaigns.

He retired as a Lt. Commander in the U. S. Naval Reserve.

Livermore was employed with the Pacific Lumber Company from 1952 until his recent appointment as Resources Agency Administrator.

Livermore belongs to the Alpha Delta Phi Fraternity at Stanford and the Pacific Union Club of San Francisco. He has also been a life member of the Sierra Club since 1939. Livermore is a life member of the Wilderness Society and belongs to the Commonwealth Club of California.

Livermore's public service record is long and outstanding. He was Special Gifts Chairman of the United Bay Area Crusade in San Francisco during 1964. He was a delegate to the Annual Convention of Episcopal Diocese of California in 1967. He has also been an officer, vestryman, and trustee of various school boards, church and charity groups.

Livermore enjoys mountain pack trips, deer hunting, pheasant and duck shooting, and skiing.

MARCH ACTIVITIES

RURAL AND STRUCTURAL FIRE PROTECTION

A representative of the State Forester's office attended or participated in the following activities during March 1967, which were of interest to the Division, pertinent to its rural and structural fire services program:

A one-day meeting of the California Fire Services Coordinating Council at which legislation pertaining to the fire services was reviewed.

A meeting with the Ranger of San Mateo County at which the County Cooperative Agreement and specifications for a new fire truck were reviewed.

A meeting of the Lake County Firemen's Association at Middletown.

A program for the Crockett Fire Department. Primary purpose of this program was to explain points of concern when local departments are called upon to assist the Division of Forestry on large watershed fires.

A graduation day exercise for a graduating truck driver class at the Central Sierra Training Center.

A meeting with representatives of the Sierra City Fire Protection District at which laws pertaining to the formation and reorganization of fire protection districts and laws and ordinances pertaining to fire prevention and clearances around buildings were reviewed.

A meeting with the Ranger of Tulare County at which laws and ordinances pertaining to the formation of County Service areas and the establishment of minimum standards for fire protection and subdivision in rural areas were reviewed.

COMMUNICATIONS

During the month of March 1967, personnel in the Fire Control section participated in the following activities relating to Forestry's Communications system:

On March 2, 1967, a meeting was held with the Communications Division Engineer in charge of radio maintenance to discuss and attempt to resolve certain pressing problems in regard to radio maintenance procedures.

On March 7, 1967, a review was made of the antenna requirements at District III Headquarters to replace the storm-damaged antenna system. Also, a review of the problems involved with the installation of a microwave switchboard at District III Headquarters.

On March 9 and 10, in the company of District and Ranger Unit representatives, the communication facilities at Loma Prieta, Santa Cruz Headquarters,

and San Mateo Headquarters were visited in order to have detailed information available necessary for communication facilities planned at these locations.

On March 29 and 30, in company with District and Ranger Unit representatives, communication facilities at Fresno District Headquarters, Mariposa Headquarters, and Mt. Bullion were visited in order to plan the switchboard installation at Fresno, and the green phone installations at the other locations.

On March 3, 1967, a priority listing was made of communication installation jobs which are pending through lack of completion of the basic engineering process. This listing was sent to the Communications Division in order that they might utilize their time to the best advantage in getting certain jobs completed before the fire season.

Routine work consisted of preparation of another requisition for mobile radios which needed to be ordered and considerable activity in regard to processing COM 207 forms, revision of the mobile radio specifications and other miscellaneous items.

FOREST PRACTICE ACT

The Forest Practice Committee of the Redwood Forest District held its final public hearing to amend the logging regulations of that district in Eureka on March 16. The Committee's recommendations will be submitted to the Board of Forestry on April 6 for approval.

Public hearings for the amendment of the Forest Practice Rules in the other three districts have been scheduled for April and May. The Coast Range Pine and Fir Forest Practice Committee will conduct hearings in Yreka on April 14, Eureka on May 5, and Redding on May 26. The North Sierra Pine Forest Practice Committee will hold hearings in Mt. Shasta on

April 25, Oroville on April 26, and in Redding on May 12. Hearings by the South Sierra Pine Forest Practice Committee will be held in Sacramento on May 15, Fresno on May 17, and in San Bernardino on May 18.

STATE FORESTS

A sale of 6.9 million board feet of young-growth timber, having a value of \$80,077, was awarded on March 6 from Jackson State Forest in Mendocino County. In addition to careful harvesting, supervised by the Division of Forestry, the sale will be used to test the selling of logs by weight compared with the usual practice of measuring individual logs.

PUBLIC RELATIONS

The State Forester met with principals of the University of California Agricultural Extension Service, the Soil Conservation Service, and the U. S. Forest Service on March 27 to form an interagency forestry coordinating committee. The formation of this committee in each state was suggested by the U. S. Department of Agriculture as a means of coordinating and planning forestry programs and services.

A geographic review of rare McNab cypress in northern California was published in the January 1967 issue of the botanical publication Madrono. C. O. Stone of the Division of Forestry and J. R. Griffin of the Pacific Southwest Forest and Range Experiment Station collaborated on the article. The work is a by-product of the soil-vegetation survey that has been underway on the upland areas of the state by the Division of Forestry in cooperation with the Experiment Station and the University of California.

* * * * *

APRIL ACTIVITIES

FOREST PRACTICES

The Board of Forestry approved two plans on April 6 for harvesting of timber in a manner different than that required by the Redwood Forest Practice Rules. Rather than leaving seed trees, the logged area will be seeded or planted in order to start the next crop.

At the same meeting, the Board reviewed the proposed amendments to the Forest Practice Rules for the Redwood District and approved their publication in a legal notice. The rule changes will be adopted at a public hearing of the Board on June 1, in Ukiah.

Public hearings were held by Forest Practice Committees to consider revision of rules in two other Districts. The Coast Range Pine and Fir Forest Practice Committee met in Yreka on April 14. The North Sierra Pine Committee held hearings on April 25 and 26 in Mt. Shasta and Oroville, respectively. Both committees plan to conclude their hearings in May and then submit their recommendations to the Board of Forestry.

STATE FORESTS

The Division of Forestry awarded a sale after competitive bids on April 14 for 7.1 million board feet of young growth timber from Jackson State Forest in Mendocino County. The harvest will be made within a watershed in which a study is underway to determine the effects of logging on erosion and stream sedimentation. The sale will yield \$124,172 in revenue.

* * * * *

MAY ACTIVITIES

FIRE SUPPRESSION

During the month of May the state

experienced periods of rainy weather and periods when the weather was hot and dry.

Fire season was opened in Southern California on May 16, 1967. Although fire season in the northern five Districts was not officially declared until June 1, a few of the forest fire stations were opened and manned with skeleton crews to provide some minimum of initial attack.

FIRE WEATHER

After demonstrations at the Tahoe Inter-agency Conference and at a District I dispatching seminar, the newly acquired automatic weather station was installed at the Agricultural Engineering Department at Davis. A number of permanent weather measuring devices there are being used as standards for evaluating and calibrating the station before its installation in the field.

COMMUNICATIONS

Five meetings were held with Communications Division personnel to coordinate installation of microwave equipment and other installation projects in process.

At the request of Mr. Rogers of the Governor's Task Force, an 11 page report was made to him which encompassed the makeup and cost of the Division's communication budget.

At the request of the Department of Water Resources, plans were initiated to loan them some surveyed radio equipment on hand for use pending their purchase of new equipment.

A dinner meeting was held on May 10, 1967, of the Public Safety Communications Committee for the purpose of acquainting Deputy Director Davis of General Services of our communications system.

WATERSHED PROJECT FIRE PROTECTION PLANNING

At the request of the Washington Office of the U. S. Forest Service, the Division of Forestry participated in a review of the proposed Shasta River Public Law 566 Project, which included items of interest to the Division of Forestry. This Division, also in cooperation with the U. S. Forest Service and U. S. Army Corps of Engineers, completed and submitted for approval, the joint Fire Protection Plan for the Pine Flat Reservoir, Kings River, California for the 1967 fire season.

The U. S. Forest Service and CDF completed and submitted after complete coordination, individual fire plans covering present areas of responsibility on the Bureau of Reclamation's Paskenta-Newville Project in the Tehama-Glenn County Area.

A periodic review associated with the Escondido Creek Public Law 566 Project in San Diego County was held with representatives of the Escondido-San Marcos Soil Conservation District, County of San Diego, Soil Conservation Service, U. S. Forest Service, City of Escondido and Division of Forestry participating.

The Division of Forestry initiated review of the U. S. Army Corps of Engineers Notice of Initiation of Investigation of Flood Plain studies Ventura County California; completed their review of the Tamalpais Fire Protection District's proposal for State assistance under the Davis-Grunsky Act, initiated review of the Forestry and Fire Protection portion of the Carpinteria Public Law 566 Project, Santa Barbara County; U. S. Army Corps of Engineers Flood Plain Information studies, Santa Barbara; information prepared by Beaches and Parks relative to recreation associated water project

fire protection studies; the Mustang Creek Watershed Work Plan under Public Law 566; the Final Report on Cucamonga Creek, San Bernardino-Riverside Counties prepared by the U.S.A.C.E.; the Redway Community Services Districts request for assistance under the Davis-Grunsky Act.

FOREST PRACTICES

Three Forest Practice Committees conducted hearings during May for the purpose of formulating amendments to state regulations of logging. The North Sierra Pine Committee met in Redding on May 12 and in Burney on May 19. Recommendations for amendments were adopted for preliminary review of the Board of Forestry at a meeting on June 1.

The Coast Range Pine and Fir Forest Practice Committee held hearings in Eureka on May 5 and in Redding on May 26. The South Sierra Pine Forest Practice Committee met in Sacramento on May 15, Fresno on May 17, and San Bernardino on May 18. Both these committees postponed further action on revision of forest practice rules pending the outcome of amendments to the Forest Practice Act before the Legislature.

PEST CONTROL

A special program on forest pesticides was presented to the Board of Forestry in Sacramento on May 11 by the California Forest Pest Control Action Council. Experts from the U. S. Forest Service, the University of California, the State Department of Agriculture, the Department of Fish and Game, the forest industry, and the Division of Forestry, explained the use and hazards of pesticides, safety factors, and research underway to develop more effective and safer compounds.

REFORESTATION

The Division of Forestry planted

5,200 trees during May on two reforestation studies being conducted in Placer and Yuba counties. A lot of work was also done during the month on hybridizing of trees in the Mother Lode area.

* * * * *

PERSONNEL CHANGES

ADMINISTRATION

9-22-66 Lawrence P. Jones, Construction Inspector in District V, granted Leave of Absence for illness for 9 months.

3-2-67 Richard J. Ernest promoted from Fire Prevention Officer IV in District VI to Fire Prevention Officer V in Fire Prevention and Education.

4-7-67 Donald A. Bartell, Engineering Aid II resigned.

5-19-67 Doris J. DePina, Intermediate Clerk in Management Services, resigned.

5-31-67 Donna M. Johnson, Delineator in Engineering, resigned.

6-5-67 Bruce T. Jackson was appointed Forestry Aid in Tulare, District IV.

6-5-67 William R. Marquez was appointed Forestry Aid in Tulare, District IV.

6-12-67 Eric W. Dahlgren was appointed Forestry Aid in Mendocino, District I.

6-12-67 Bernard J. Ward was appointed Forestry Aid in Tulare, District IV.

6-13-67 Jimmy A. Dunn was appointed Forestry Aid in Shasta, District II.

6-13-67 Charles H. Lockwood was appointed Forestry Aid in Shasta, District II.

6-14-67 Coleen Egbert was appointed Intermediate Clerk in Management Services.

* * * * *

DISTRICT I

8-31-66 Darrow F. Sellers, Forestry Foreman II at Alder Creek Conservation Camp, retired.

3-20-67 Irene T. Williams reinstated as Intermediate Typist Clerk at Sonoma.

3-24-67 William D. Derkland, Junior Forester at Mendocino, resigned.

4-1-67 Rodney O. Edgmon, changed from Forestry Graduate Trainee to Junior Forester at Sonoma.

4-7-67 Lawrence C. Bates, Forestry Foreman I in Mendocino, resigned.

4-10-67 Robert L. Burkett, II was reinstated after military leave as Forest Fire Truck Driver in Sonoma.

4-11-67 Henry C. Guidotti, Forestry Foreman I in Mendocino, resigned.

4-13-67 Peter B. Mannix was appointed Carpenter I in Sonoma.

4-14-67 Richard B. Rose, Forest Fire Truck Driver in Mendocino resigned.

4-17-67 Eugene M. Throop, Forestry Foreman II at Konocti CC, completed temporary assignment.

4-20-67 Richard L. Cadra, Forestry Foreman II at Alder CC, completed temporary assignment.

4-21-67 David J. Cubit, Forest Fire Truck Driver in Mendocino, resigned.

4-21-67 Dean H. Eliason, Carpenter I in Sonoma, resigned.

4-26-67 George W. Caria was appointed Carpenter I in Sonoma.

5-1-67 Michael L. Hall, Forestry Fireman at Sonoma, resigned.

5-1-67 Joe W. Haggard, Forestry Foreman I from Mendocino resigned.

5-1-67 Joseph H. Marek was reinstated after military leave as Forest Fire Truck Driver in Humboldt.

5-2-67 Byron J. Carniglia, Associate State Forest Ranger, changed location from Santa Rosa Headquarters to Napa.

5-2-67 James M. Olsen changed from Forestry Superintendent at Mobile CC to Associate State Forest Ranger at the Santa Rosa Headquarters.

5-2-67 Edmund J. Stadelhofer reemployed as Forest Fire Truck Driver from Forestry Fireman at Napa.

5-2-67 Daniel A. Krader was promoted from Forestry Foreman I to Fire Prevention Officer I at Humboldt.

5-2-67 Walter L. Nutting was promoted from Forestry Foreman I at Amador to Fire Prevention Officer I at Napa.

5-2-67 Ronald S. Cohn was promoted from Forestry Foreman I to Fire Prevention Officer I at Sonoma.

5-2-67 Loren B. Poore was promoted from Forestry Foreman I to Fire Prevention Officer I at Sonoma.

5-2-67 Donald D. McMurry was promoted from Forestry Foreman I to Fire Prevention Officer I at Sonoma.

5-2-67 Francis D. Thompson was promoted from Forestry Foreman I at Humboldt to Forestry Foreman II at Alder CC.

5-2-67 Clifton E. Griffith, Forest Fire Truck Driver, changed location from Mendocino to Napa.

5-2-67 Timothy G. Huff, promoted from Forestry Foreman I to Fire Prevention Officer I in Mendocino.

5-2-67 Donald R. Bishop, promoted from Forestry Foreman I in Calaveras to Fire Prevention Officer I in Lake.

5-2-67 Frank A. Holbrook, promoted from Forestry Foreman I to Fire Prevention Officer I at Napa.

DISTRICT I (CONTINUED)

- 5-2-67 Robert C. Rose, promoted from Forestry Foreman I in San Benito to Fire Prevention Officer I in Lake.
- 5-2-67 Robert L. Thompson, promoted from Forestry Foreman I in Yuba to Fire Prevention Officer I in Mendocino.
- 5-2-67 Floyd E. Oxner, Jr., promoted from Forestry Foreman I in Napa to Fire Prevention Officer I in Humboldt.
- 5-2-67 Dale E. Crawford, promoted from Forestry Foreman I to Fire Prevention Officer I in Mendocino.
- 5-2-67 William F. Imboden, promoted from Forester I in Shasta to Assistant State Forest Ranger in Lake Ranger Unit.
- 5-3-67 William C. Struble was appointed Forestry Fireman at Napa.
- 5-4-67 Russell B. Gorden was appointed Forestry Fireman at Sonoma.
- 5-6-67 Harley M. Faulkner, Forestry Foreman II at Eel River CC, resigned.
- 5-6-67 Francis W. Wilbur, Forestry Foreman II at Eel River CC, completed temporary assignment.
- 5-6-67 George E. Cockman, Jr., Forestry Foreman II at Eel River CC, resigned.
- 5-6-67 Hobert E. Tompkins, Forestry Foreman II, changed location from Antelope CC to Konocti CC.
- 5-9-67 Burton L. Parsons, Forestry Foreman II at Parlin Fork CC, completed temporary assignment.
- 5-10-67 Thomas A. Buckner, Forestry Foreman II, changed location from Miramonte CC to Parklin Fork CC.
- 5-12-67 Dewboise H. Shaffer, Electrician I at Sonoma, resigned.
- 5-15-67 Charles E. Freeman, promoted from Forestry Foreman I at Butte to Forestry Foreman II in Alder Creek CC.
- 5-15-67 Ronald Matteoli, reinstated from military leave as Forest Fire Truck Driver in Lake Ranger Unit.
- 5-15-67 Allan J. Doers, Forestry Foreman II from Eel River CC, resigned.
- 5-16-67 Everett E. Sargent, Forestry Foreman II, changed location from Miramonte CC to Eel River CC.
- 5-17-67 Walter V. Fernando, appointed Electrician I in Sonoma.
- 5-17-67 Dwight J. Caron, Forestry Foreman II in Konocti CC, completed temporary assignment.
- 5-19-67 Raymond G. Snider, Forestry Foreman II, changed location from Mobile IV CC to Eel River CC.
- 5-22-67 Eric W. Ronback, Jr., Forestry Foreman I, changed location from Lake to Napa.
- 5-22-67 Clarence C. Baal, Jr., Forestry Foreman II from Eel River CC, resigned.
- 5-22-67 Albert C. Wulff, appointed Carpenter I in Sonoma.
- 5-23-67 William A. Perkins, Forestry Foreman II, changed location from Minnewawa CC to Eel River CC.
- 5-31-67 Raymond W. Gevas, Forestry Foreman II from Chamberlain Creek CC, completed temporary assignment.
- 5-31-67 Charles L. Thomas, Forestry Foreman II from High Rock CC, completed temporary assignment.
- 5-31-67 Calvin H. Malcom, Forestry Foreman II from Eel River CC completed temporary assignment.

DISTRICT I (CONTINUED)

5-31-67 Kenneth M. Ford, Forestry Foreman II from Mendocino, resigned.

6-1-67 Don C. Banghart, reinstated from an educational leave as Forestry Foreman I in Humboldt.

6-1-67 Jim W. Childre, promoted from Forestry Foreman I in Siskiyou to Forestry Foreman II in Alder Creek CC.

6-1-67 Lynwood L. Lindley, reinstated as Forestry Equipment Operator from Forestry Foreman II at Eel River CC.

6-1-67 Francis D. Thompson, Forestry Foreman II, changed location from Del Norte to High Rock CC in Humboldt.

6-1-67 Ronald W. Thomas, promoted from Forest Fire Truck Driver to Forestry Foreman I (Limited Term) in Sonoma.

6-6-67 Victor G. Kovacevic, reinstated as Forest Fire Truck Driver in Mendocino.

6-9-67 Marcia J. Cook, Intermediate Stenographer from Mendocino, resigned.

6-11-67 Gary L. Hover, appointed Forest Fire Truck Driver in Humboldt.

6-11-67 Robert A. Moon, appointed Forest Fire Truck Driver in Mendocino.

6-11-67 John C. Morrison, appointed Forest Fire Truck Driver in Humboldt.

6-11-67 Russell B. Gorden, appointed Forest Fire Truck Driver in Mendocino.

6-11-67 Jeffry J. Daniels, appointed Forest Fire Truck Driver in Mendocino.

* * * * *

DISTRICT II

3-20-67 Donald G. Keys reinstated as Civil Service Assistant Forest Ranger from TAU Forest Fire Prevention Officer II in Butte County.

4-1-67 Walter A. Duckworth transferred from Assistant State Forest Ranger in Lassen County to Fire Prevention Officer II in Butte County.

4-1-67 Kenneth R. Goings transferred from Assistant State Forest Ranger in Lake County District I to Fire Prevention Officer II in Butte County.

4-12-67 Bill J. Teer, promoted from Forestry Foreman I to Fire Prevention Officer II, Butte County.

4-12-67 David E. Sharpe promoted from Forestry Foreman I to Fire Prevention Officer II, Butte County.

5-2-67 Duane M. Kelly promoted from Forestry Foreman I to Fire Prevention Officer I, Butte County.

5-2-67 Arlen B. Cartwright promoted from Forestry Foreman I, Nevada-Yuba, to Fire Prevention Officer I, Butte County.

5-2-67 Thomas R. Hanton changed class from Forestry Foreman II, Lassen, to Fire Prevention Officer I, Shasta County.

5-2-67 Conie R. Robertson changed class from Forestry Foreman II, Lassen, to Fire Prevention Officer I, Butte County.

5-2-67 Roger D. Hansen promoted from Forestry Foreman I to Fire Prevention Officer I, Butte County.

DISTRICT II (CONTINUED)

5-2-67 Verne P. Charlton, Forest Fire Truck Driver, transferred from Butte to Shasta County.

5-2-67 Larry G. Klein, Forest Fire Truck Driver, transferred from Shasta to Butte County.

5-2-67 Norman W. Taylor promoted from Forestry Foreman I, Butte, to Fire Prevention Officer I, Butte County.

5-2-67 Gaylon Gogue, promoted from Forestry Foreman I, Kings County, to Fire Prevention Officer I, Butte County.

5-2-67 Arthur R. Lawrence, Forestry Foreman II, transferred from Plum Creek CC to Antelope CC.

5-2-67 Fred E. Trask, Jr., promoted from Forestry Foreman I to Fire Prevention Officer I, Butte County.

5-2-67 Kenneth E. Wagner, promoted from Forestry Foreman I, Monterey County, to Fire Prevention Officer I, Butte County.

5-2-67 Larry R. Beck, promoted to Fire Prevention Officer I in Butte County, from Forestry Foreman I in Madera County, District IV.

5-8-67 Lawrence E. Spickert appointed Carpenter (Casual Employment), Shasta County.

5-8-67 Russell F. Bockhop, promoted from Forestry Foreman I to Junior Forester, Shasta County.

5-8-67 Frederic H. Batchelor, promoted from Forestry Foreman I to Junior Forester, Shasta County.

5-15-67 Robert D. Wise resigned as Forestry Equipment Operator, Lassen County

5-15-67 Robert I. Crane, appointed Forest Fire Truck Driver, Shasta County.

5-15-67 Laurence D. Sankey, appointed Forest Fire Truck Driver, Lassen County.

5-16-67 June E. Alford, resigned as Intermediate Stenographer, Shasta County.

5-16-67 Lloyd I. Keefer, promoted from Forestry Graduate Trainee to Junior Forester, Shasta County.

5-22-67 James S. Barnhart, appointed Forest Fire Truck Driver, Shasta County.

5-29-67 Guyld A. Vincent, appointed Forest Fire Truck Driver, Tehama County.

6-1-67 Robert P. Sizemore, appointed Forestry Foreman II, Lassen from Foreman I, Lassen County.

6-1-67 Lynn M. Landon, appointed Intermediate Stenographer, Shasta County.

6-1-67 Edward R. Litizzette, appointed Forestry Foreman I, limited term 6 months, Siskiyou, from Forest Fire Truck Driver, Siskiyou County.

6-1-67 William D. Kellar, appointed Forestry Foreman I, limited term 6 months, Tehama County from Forest Fire Truck Driver, Tehama.

6-1-67 Gerald R. Reed, appointed Forestry Foreman I, limited term 6 months, Shasta County from Forest Fire Truck Driver, Shasta County.

6-1-67 Clifford B. Chapman, appointed Forestry Foreman I, limited term 6 months, Shasta from Forest Fire Truck Driver, Shasta County.

DISTRICT II (CONTINUED)

6-1-67 Stephen C. Whitlock, Forestry Foreman I changed location from Butte County to Siskiyou County.

6-2-67 David A. Miller, resigned as Forest Fire Truck Driver, Butte County.

6-7-67 Richard L. Horn, appointed Forest Fire Truck Driver, Shasta County.

6-9-67 Stephen V. Rife, appointed Forest Fire Truck Driver, Shasta County.

6-10-67 Julian L. Coy, resigned as Forestry Foreman II, Tehama County.

6-10-67 John C. Anderson, appointed Forest Fire Truck Driver, Siskiyou County.

6-12-67 Terence S. Torbohn, appointed Forestry Aid, Butte County.

6-12-67 Joe L. McFadden, appointed Forestry Aid, Lassen County.

6-12-67 Norman D. Henry, appointed Forestry Aid, Butte County.

6-12-67 John R. Rightmire, appointed Forestry Aid, Butte County.

6-12-67 Steven J. Meek, appointed Forest Fire Truck Driver, Siskiyou County.

* * * * *

DISTRICT III

3-1-67 Mac L. Fulkerson resigned as Forest Fire Truck Driver at Tuolumne.

3-31-67 Henry Knox, resigned as Forestry Foreman I at Calaveras.

4-3-67 Dorothy S. Parker, appointed Intermediate Stenographer at Amador.

4-10-67 Catherine Garbarini separated as a TAU one-half time Intermediate Stenographer at Amador.

5-1-67 Francis L. Viscia, separated as a Forestry Foreman II at Placer.

5-2-67 Jack A. Hasely, promoted from Forestry Foreman I to Fire Prevention Officer I at El Dorado.

5-2-67 Charles Wolfe, Jr. promoted from Forestry Foreman I to Fire Prevention Officer I at Calaveras.

5-8-67 Leon R. Weldy, appointed Forest Fire Truck Driver at Calaveras.

5-8-67 Clyde H. Routh, appointed Forest Fire Truck Driver at El Dorado.

5-11-67 John B. Petersen, appointed Forest Fire Truck Driver at Nevada.

5-15-67 Robert M. Balistreri, appointed limited term Forestry Foreman I from Forest Fire Truck Driver at Nevada.

5-15-67 William E. Hoehman, Forestry Graduate Trainee, changed locations from Sacramento to Calaveras.

5-16-67 Charles H. Newland, Forestry Cook I, changed locations from Nevada to Tuolumne.

5-19-67 Joe B. Haggard, promoted from Forest Fire Truck Driver to Forestry Foreman I at Nevada.

5-22-67 Fred H. Kelsea, Forestry Foreman II, resigned at Sacramento.

DISTRICT III (CONTINUED)

5-22-67 Maurice D. Shortridge, appointed Forest Fire Truck Driver at Calaveras.

5-22-67 True B. Standley, appointed half-time Intermediate Stenographer at Amador.

5-31-67 James R. Scritchfield, resigned as Forestry Equipment Operator at Amador.

* * * * *

DISTRICT IV

3-2-67 Euel W. Goldsmith, transferred from Assistant State Forest Ranger to Fire Prevention Officer II in Tulare County.

3-2-67 Vernon L. Davis, Forest Fire Truck Driver, now on Disability Retirement.

3-3-67 Dennis M. Guinn, Forest Fire Truck Driver, now on Indefinite Military Leave of Absence.

3-6-67 Stephen D. Fees, Jr., appointed as Civil Service Forestry Fireman from TAU in Fresno County.

3-8-67 Gerald W. Pruitt, resigned as Forestry Fireman in Fresno County.

3-10-67 Ernest K. Rutherford, appointed as Forest Fire Truck Driver in Tulare County.

3-15-67 Delwin Brandt, Forestry Foreman II, transferred from Madera County to Mariposa County.

3-15-67 Harold C. Smith, Forestry Foreman II, transferred from Madera County to Mariposa County.

3-17-67 Tillman R. Williams, on Medical Leave of Absence, resigned as Forestry Cook in Fresno County.

3-20-67 Theodore R. Polman, separated as TAU Carpenter I in Fresno County.

3-20-67 Jack C. Dedmon, reinstated as Forest Fire Truck Driver in Tulare County.

3-23-67 Velda R. Rose, appointed as an Intermittent Intermediate Stenographer in Tulare County.

3-23-67 Paul J. Essick, promoted to Forest Fire Truck Driver in Tulare County from Forestry Fireman in Fresno County.

3-31-67 James M. Cornwall, resigned as Forest Fire Truck Driver in Madera County.

10-6-66 Thomas E. Upton, separated as Mason (Casual Employment) in Fresno County.

3-27-67 William R. Barker, appointed as Forestry Fireman in Fresno County.

4-1-67 E. R. "Sam" Garza, changed class to Fire Prevention Officer II from Assistant State Forest Ranger in Fresno County.

4-8-67 Leonard F. VanWormer, resigned as Forest Fire Truck Driver in Fresno County.

4-18-67 Velda R. Rose, separated as Intermittent Limited Term Intermediate Stenographer in Tulare County.

4-19-67 Gerald L. Parnell, transferred from Fresno County to Tulare County.

4-21-67 John E. Brescia, resigned as Forest Fire Truck Driver in Fresno County.

DISTRICT IV (CONTINUED)

4-26-67 David A. Ruonola, promoted to Forest Fire Truck Driver from Forestry Fireman in Fresno County.

5-1-67 John A. Hanna, resigned as Forestry Foreman I in Fresno County.

5-1-67 William J. Webb, retired as Carpenter Foreman in Fresno County.

5-2-67 David W. Bethel, promoted to Forest Fire Truck Driver in Tulare County from Forestry Fireman in Fresno County.

5-2-67 Robert T. Barnes, appointed as Forest Fire Truck Driver in Fresno County.

5-2-67 Charles Wauhob, appointed as Forest Fire Truck Driver in Tulare County.

5-2-67 James L. Bailey, appointed as Forest Fire Truck Driver in Tulare County.

5-2-67 Kim E. Pennington, appointed as Forest Fire Truck Driver in Tulare County.

5-2-67 Manuel J. Garcia, appointed as Forest Fire Truck Driver in Tulare County.

5-2-67 James C. Gaffney, appointed as Forest Fire Truck Driver in Fresno County.

5-2-67 Myron A. Blasingame, Forestry Foreman II, transferred from Blasingame Conservation Camp.

5-2-67 Harold C. Smith, Forestry Foreman II, transferred to Tulare County from Madera County.

5-2-67 Billy E. Hickman, changed class from Forestry Foreman II in Tulare County to Fire Prevention Officer I.

5-2-67 Robert L. Kutz, promoted to Fire Prevention Officer I from Forestry Foreman I in Fresno County.

5-4-67 Marvin D. Merrill, appointed as Forest Fire Truck Driver in Mariposa County.

5-8-67 A. John Teie, promoted to Junior Forester from Forestry Graduate Trainee in Fresno County.

5-11-67 Theodore R. Polman, appointed as Forest Fire Truck Driver in Mariposa County.

5-17-67 James R. Johnson, Forestry Foreman I, transferred from Merced to Madera County.

5-17-67 James H. Taglio, promoted to Forestry Foreman I in Madera County from Forest Fire Truck Driver in Merced County.

5-22-67 William A. Gardner, promoted to Forestry Foreman I in Kings County from Forest Fire Truck Driver in Fresno County.

5-22-67 Sam Mendenhall, promoted to Forestry Foreman I in Kings County from Forest Fire Truck Driver in Fresno County.

5-22-67 George A. Newton, reinstated as Assistant State Forest Ranger in Fresno County.

5-24-67 Brian D. Garcelon, promoted to Forestry Fireman in Fresno County from TAU Forest Firefighter (Seasonal) in San Mateo County.

5-24-67 Carl R. Kent, promoted to Forestry Fireman in Fresno County from Forest Firefighter TAU (Seasonal) in San Benito County.

5-24-67 Paris J. Nilson, promoted to Forestry Fireman in Fresno County from TAU Forest Firefighter(Seasonal) in San Mateo County.

DISTRICT IV (CONTINUED)

5-29-67 Vern L. Atwater, Forestry Cook I transferred from Madera to Fresno County.

6-1-67 George B. Yount, transferred as Carpenter Foreman in Fresno from the Department of Corrections.

6-1-67 David M. Freeto, appointed as Forest Fire Truck Driver in Madera County.

6-1-67 John T. Freeto, reinstated as Forest Fire Truck Driver in Tulare County.

6-1-67 Eugene D. Riser, Forestry Foreman II, transferred from the Blasingame Conservation Camp to the Miramontes Conservation Camp.

6-1-67 Michael P. Regan, promoted to Forest Fire Truck Driver from Forestry Fireman in Fresno County.

6-1-67 George S. Johnson, reinstated as Forest Fire Truck Driver in Tulare County.

6-1-67 Charles L. Lawshe, Forest Fire Truck Driver, transferred from Fresno to Madera County.

6-2-67 Michael R. Stephens, appointed as Forest Fire Truck Driver in Merced County.

6-2-67 Dennis L. Smither, promoted to Forestry Fireman I from Forest Fire Truck Driver in Madera County.

6-5-67 Perry W. Rhodes, Forestry Foreman II transferred from Fresno County to Tulare County.

6-6-67 Bill G. Richards, appointed as Forest Fire Truck Driver in Merced County.

6-30-67 Harry M. Miller, Assistant Civil Engineer in Fresno County has had Leave of Absence extended for 3 months.

DISTRICT V

3-13-67 Ronald E. Stanley was appointed Forest Fire Truck Driver at San Mateo.

3-15-67 Malcom W. Douglas, changed from a Forestry Fireman to a Forest Fire Truck Driver at San Mateo.

3-15-67 Russel K. Loy, changed from a Forestry Fireman to a Forest Fire Truck Driver at San Mateo.

3-16-67 William C. Knight, was appointed Forest Fire Truck Driver at Santa Cruz.

3-22-67 Ivan J. Jensen, appointed Forestry Fireman at San Luis Obispo.

3-27-67 Floyd J. Daniel, Forest Fire Truck Driver at San Mateo, terminated.

3-27-67 Raymond L. Hebrard, returned from a Military Leave of Absence and was reinstated as a Forest Fire Truck Driver at San Luis Obispo.

3-27-67 Paris J. Nilson, appointed Forestry Fireman at San Mateo.

3-31-67 Bruce F. Engman, Forestry Fireman at San Mateo, is on Military Leave.

4-1-67 Lewis H. Benshoof, appointed Forestry Fireman at Santa Clara.

4-1-67 James C. Moore, appointed Forest Fire Truck Driver at Santa Clara.

4-1-67 Stephen W. Schroeder, appointed Forest Fire Truck Driver at Santa Clara.

DISTRICT V (CONTINUED)

4-1-67 Robert E. Stewart, Jr., appointed Forestry Fireman at Santa Clara.

4-1-67 Robert S. Villegas, changed from Forestry Foreman I to Junior Forester at Monterey.

4-3-67 Anthony W. Ventura, appointed Forestry Fireman at San Mateo.

4-4-67 Lawrence C. James, appointed from TAU to permanent Electrician I at Monterey.

4-6-67 Ernest S. Pennington, Forestry Superintendent at Ben Lomond Coservation Camp, deceased.

4-13-67 Peter R. Morin, Forest Fire Truck Driver at San Mateo, resigned.

4-18-67 Allan M. Walden, appointed Forest Fire Truck Driver at San Mateo.

4-25-67 Ivan J. Jensen, Forestry Fireman at San Luis Obispo, resigned.

4-30-67 Dennis E. Cox, Forestry Fireman at San Luis Obispo, was laid-off.

4-30-67 Phillip A. Heilmann, Forestry Fireman at San Luis Obispo, was laid-off.

4-30-67 James F. Nohel, Forestry Fireman at San Mateo, was laid-off.

5-1-67 Reno A. Ditullio, was laid-off as Forestry Fireman and began work as Forest Firefighter at San Luis Obispo.

5-1-67 Brian D. Garcelon, was laid-off as Forestry Fireman and began work as Forest Firefighter at San Mateo.

5-1-67 Carl R. Kent was laid-off as Forestry Fireman and began work as Forest Firefighter at San Benito.

5-1-67 Paris J. Nilson, was laid-off as Forestry Fireman and began work as Forest Firefighter at San Mateo.

5-1-67 Charles Swartz, Assistant State Forest Ranger at San Benito, retired.

5-1-67 Frank G. Stephenson, Jr., was laid-off as Forestry Fireman and began work as Forest Firefighter at San Benito.

5-1-67 John L. Sylvia, was laid-off as Forestry Fireman and began work as Forest Firefighter at San Luis Obispo.

5-1-67 Michael D. Wolcott, was laid-off as Forestry Fireman and began work as Forest Firefighter at San Mateo.

5-2-67 Robert D. Pitts, promoted from Forestry Foreman I to Fire Prevention Officer I at Santa Clara.

5-2-67 Duncan D. Sparling, promoted from Forestry Foreman I to Fire Prevention Officer I at San Luis Obispo.

5-2-67 Beverly J. Barton, appointed Intermediate Account Clerk at Monterey.

5-2-67 Oscar J. Burrell, promoted from Forest Fire Truck Driver to Forestry Foreman I at San Benito.

5-2-67 Ralph V. Crippen, returned from Military Leave of Absence and was reinstated as Forest Fire Truck Driver at Santa Clara.

5-8-67 Lewis E. Killion, promoted from Forest Fire Truck Driver to Forestry Foreman I at San Luis Obispo.

DISTRICT V (CONTINUED)

5-8-67 Kenneth R. Werner, promoted from Forestry Graduate Trainee to Junior Forester at Santa Cruz.

5-8-67 Cecil A. Coe, appointed Carpenter (Casual Employment) at Monterey.

5-10-67 Gloria D. VanMeter, reinstated as Intermediate Stenographer at Monterey.

5-15-67 Betty A. Binns, reinstated as Intermediate Stenographer at Monterey.

5-15-67 Reno A. Ditullio, appointed as Forest Fire Truck Driver at Monterey.

5-15-67 William A. Knight, Forest Fire Truck Driver at Santa Cruz, terminated.

5-15-67 Richard R. McConnell, promoted from Forest Fire Truck Driver to Forestry Foreman I at Santa Clara.

5-15-67 Keith R. Mellor, returned from Military Leave of Absence and was reinstated as Forest Fire Truck Driver at San Mateo.

5-15-67 Douglas F. Talbot, appointed Forest Fire Truck Driver at Santa Clara.

5-17-67 Russell A. Borelli, appointed Forest Fire Truck Driver at Monterey.

5-17-67 Steven D. Sharpe, promoted from Forest Fire Truck Driver to Limited Term Forestry Foreman I at San Luis Obispo.

5-17-67 Ernest J. Andrade, Forest Fire Truck Driver at San Mateo is on a temporary Military Leave of Absence.

5-18-67 Gerald B. Lindquist, Forest Fire Truck Driver, changed location from San Mateo to Santa Clara.

5-18-67 Robert L. Roberson, Forest Fire Truck Driver at Monterey, resigned.

5-22-67 Donald A. Eichman, promoted from Forest Fire Truck Driver to Forestry Foreman I at Santa Clara.

5-22-67 Ronald E. Heck, appointed Forest Fire Truck Driver at Santa Clara.

5-22-67 Michael G. Kelly, appointed Forest Fire Truck Driver at Santa Clara.

5-22-67 Robert E. Stewart, Jr., promoted from Forestry Fireman to Forest Fire Truck Driver at Santa Clara.

5-22-67 Larry L. Todd, appointed Forest Fire Truck Driver at San Luis Obispo.

5-26-67 James F. Nohel, appointed Forestry Fireman at Santa Clara.

5-31-67 John F. Rotter, Forest Fire Truck Driver at Monterey, resigned.

6-1-67 LaVern D. Barnes, Forest Fire Truck Driver, changed location from San Mateo to Santa Clara.

6-1-67 James E. Bliss, promoted from Forest Fire Truck Driver to Forestry Foreman I at Monterey.

6-1-67 James L. Bryan, Forest Fire Truck Driver, changed location from San Mateo to San Benito.

6-1-67 Fred W. Chaffin, Forest Fire Truck Driver, changed location from San Mateo to San Luis Obispo.

6-1-67 Bradley R. Edwards, promoted from Forest Fire Truck Driver to Forestry Foreman I at San Benito.

6-1-67 Donald G. Lane, Forest Fire Truck Driver, changed location from San Mateo to San Benito.

DISTRICT V (CONTINUED)

6-1-67 James D. MacRae, Forest Fire Truck Driver, changed location from San Mateo to San Benito.

6-1-67 Keith R. Mellor, Forest Fire Truck Driver, changed location from San Mateo to Santa Clara.

6-1-67 Edward R. Temple, Forest Fire Truck Driver, changed location from San Mateo to Santa Cruz.

6-1-67 Wilbur J. Wade, Forestry Superintendent, Conservation Camp, changed location from Mobile in District IV to Ben Lomond.

6-1-67 Gary L. Wojahn, Forest Fire Truck Driver, changed location from San Mateo to Santa Cruz.

6-5-67 Daniel G. Dulitz, reinstated as Forest Fire Truck Driver at Monterey.

6-7-67 Carmon E. Johnson, appointed Forest Fire Truck Driver at San Luis Obispo.

6-7-67 Randall H. Olsen, appointed Forest Fire Truck Driver at Santa Clara.

6-12-67 William N. Ayers, promoted from Forest Fire Truck Driver to Forestry Foreman I, TAU, Santa Cruz.

* * * * *

DISTRICT VI

3-6-67 Lois M. Speer, appointed Intermediate Stenographer, TAU at Riverside.

3-13-67 Icie E. Endsley, appointed High School Teacher from Special Consultant TAU at Oak Glen.

3-13-67 Arthur J. Adams, appointed Elementary Teacher at Oak Glen.

3-20-67 Nick C. Neve, Forestry Fireman, reinstated at Orange.

3-23-67 Ronald P. Stephens, promoted to Forest Fire Truck Driver at Riverside from Forestry Fireman at Orange.

4-1-67 Sam G. Lockney, Supervisor of Academic Instruction, appointed CS from TAU at Oak Glen.

4-1-67 Nick C. Neve, promoted to Forest Fire Truck Driver from Forestry Fireman at Orange.

4-1-67 Dennis L. Bebensee, from Assistant State Forest Ranger at Riverside to Fire Prevention Officer II at San Bernardino.

4-1-67 Richard J. Clanton, promoted to Junior Forester from Forestry Graduate Trainee at Riverside.

4-1-67 Charles B. Sweetwood, changed to Fire Prevention Officer II from Assistant State Forest Ranger.

4-3-67 Daniel O. Danner, appointed Forestry Fireman at Orange.

4-5-67 Robert D. DeClerck, Forest Fire Truck Driver, reinstated at San Bernardino.

4-5-67 Elmer F. Mancini, Forest Fire Truck Driver, resigned at Orange.

4-7-67 Iola J. Hebert, Intermediate Stenographer, resigned at San Diego.

4-10-67 Joraye Polk, appointed full-time from half-time Intermediate Stenographer at San Diego.

4-10-67 Lance L. Clayton, appointed Forestry Fireman at Orange.

4-1-67 Russ R. Russell, Forestry Fireman, resigned at Orange.

4-17-67 Raymond B. Anderson, Forest Fire Truck Driver, separated at San Bernardino.

5-1-67 Charles L. Greenbaum, Forestry Fireman, resigned at Orange.

5-2-67 Pete M. Miller, promoted to Fire Prevention Officer I from Forestry Foreman I at Riverside.

5-2-67 John J. McCurnin, promoted to Fire Prevention Officer I from Forestry Foreman I at San Diego.

5-2-67 William E. Basom, promoted to Fire Prevention Officer I from Forestry Foreman I at San Diego.

5-2-67 Jon C. Rolland, promoted to Fire Prevention Officer I from Forestry Foreman I at San Diego.

5-2-67 Richard B. Rennick, appointed Forest Fire Truck Driver at Orange.

5-2-67 Steve A. Richmond, promoted to Corpsman Supervisor at Oak Glen from Assistant State Forest Ranger at Riverside.

5-1-67 Charles M. Hiron, Forest Fire Truck Driver, resigned at San Bernardino.

5-2-67 Jean T. Burke, appointed Intermediate Typist Clerk at Riverside.

5-2-67 Roger E. Hofhenke, promoted to Fire Prevention Officer I from Forestry Foreman I at Orange.

5-2-67 Michael J. Walsh, promoted to Fire Prevention Officer I from Forestry Foreman I at Orange.

5-2-67 Raymond G. Mummy, promoted to Fire Prevention Officer I from Forestry Foreman I at Riverside.

5-2-67 Neil E. Nickel, promoted to Fire Prevention Officer I from Forestry Foreman I at Riverside.

5-2-67 Lee A. Sherman, promoted to Fire Prevention Officer I from Forestry Foreman I at Riverside.

5-2-67 Herbert B. Nemeyer, reinstated to Assistant State Forest Ranger from Corpsman Supervisor, TAU at Riverside.

5-8-67 Emory P. Longstreth, appointed Forest Fire Truck Driver at San Diego.

5-10-67 Thomas H. Hecker, appointed Forest Fire Truck Driver at San Diego.

5-10-67 Max M. Bradley, appointed Forest Fire Truck Driver at San Bernardino.

5-10-67 Ronald P. Collins, appointed Forest Fire Truck Driver at Orange.

5-15-67 Patrick F. Stein, appointed Forestry Fireman at Orange.

5-15-67 Paul O. Caudell, appointed Forest Fire Truck Driver at San Diego.

5-15-67 James M. Harris, appointed Forest Fire Truck Driver at Riverside.

5-15-67 Philip B. Kerr, appointed Forest Fire Truck Driver at Riverside.

5-15-67 Larry L. Kidd, appointed Forest Fire Truck Driver at Riverside.

5-15-67 James R. Pere, appointed Forest Fire Truck Driver at San Diego.

5-15-67 Timothy L. Shay, appointed Forest Fire Truck Driver from Forest Firefighter (Seasonal) at San Bernardino.

5-15-67 Thomas A. Smith, appointed Forest Fire Truck Driver at San Diego.

5-16-67 Douglas A. Sweet appointed Forest Fire Truck Driver at Orange.

DISTRICT VI (CONTINUED)

5-16-67 Brian M. Ford, promoted to Forest Fire Truck Driver from Forestry Fireman at Orange.

5-16-67 James R. Mabry, promoted to Forest Fire Truck Driver from Forestry Fireman at Orange.

5-16-67 John A. Schaffer, promoted to Forest Fire Truck Driver from Forestry Fireman at Orange.

5-16-67 Jean L. Keller, appointed Forest Fire Lookout at San Diego.

5-22-67 Fred A. Kerr, reinstated as Forest Fire Truck Driver at San Diego.

5-22-67 Howard K. Kline, appointed Forest Fire Lookout at San Bernardino.

5-23-67 Duane V. Chamlee, appointed Forest Fire Truck Driver from Forest Firefighter (Seasonal) at San Diego.

5-29-67 Richard L. Malsack, appointed Forest Fire Truck Driver at San Diego.

5-31-67 Maude C. Signs, Intermediate Stenographer, resigned at Riverside.

5-31-67 Charles A. Lemberg, Forestry Foreman I, resigned at San Diego.

5-31-67 Frank Thing, Forestry Foreman II, resigned at San Diego.

6-1-67 Leonard J. Richards, Jr., appointed Forest Fire Truck Driver at Riverside.

6-1-67 Stephen C. Stein, promoted from Forestry Foreman II to Assistant Corpsman Supervisor at Oak Glen.

6-1-67 John L. Pogue, promoted to Fire Prevention Officer I from Forestry Foreman I at San Bernardino.

6-1-67 Brian L. Richtmyer, promoted to Fire Prevention Officer I from Forestry Foreman I at San Bernardino.

6-1-67 Otis W. Sparks, reinstated as Forestry Fireman from Indefinite Military Leave of Absence at Orange.

6-1-67 Johnnie R. Whirlow, appointed Forestry Fireman at Orange.

6-8-67 Sandra L. Abeln, appointed Intermediate Stenographer at Riverside.

5-2-67 Marshall V. Ballard, promoted to Fire Prevention Officer I from Forestry Foreman I at San Diego.

MERIT AWARDS

May 29, 1967

Mr. Bradley W. Romaine, District VI, received a Certificate of Commendation for submitting Merit Award Suggestion No. 41032.

Mr. Romaine recommended that one folding aluminum ladder be installed on all Forestry tank trucks.

- - - - -

June 23, 1967

Mr. Gilbert W. Bell, District III, received a Certificate of Commendation for submitting Merit Award Suggestion No. 44131.

Mr. Bell recommended that the Division of Forestry print and distribute to the Justice and Municipal Courts, as needed, a form to be utilized to notify defendants that a complaint has been filed against them.

- - - - -

June 23, 1967

Mrs. E. Catherine Coder, District V, received Warrant number 3-306865 for \$14.34 representing cash award of \$15.00, less withholding tax, and Certificate of Award for submitting Merit Award No. 44326.

Mrs. Coder recommended that the Division move the fire number from the right side to the left side of Form LE-28, "Notice of Railroad Fire". This is to expedite filing as the fire numbers on the LE-28 and LE-15 "Railroad Fire Investigation Report" would be approximately in the same position on both forms.

* * * * *

SAFETY

CONGRATULATIONS TO DISTRICT II!

Although these congratulations are late in coming, we should like to express our appreciation for District II's accomplishment in having the best injury record of all field districts in 1966. The Division had an overall injury frequency rate of 47.0 for 1966, while District II came through with a 27.8. Starting with a rate of 47.1 the first quarter, they

consistently dropped their rate to a low of 24.2 in the fourth quarter, truly an outstanding achievement. To give some idea as to how much better they were than other districts, the runner-up district had a rate of 43.8 for 1966.

Thanks gentlemen of District II for a job well done -- just keep it up. We are going to need your help in surpassing our goal of 40.0 for 1967.

- - - - -

SEAT BELTS AGAIN PREVENTED SERIOUS INJURIES TO FORESTRY PERSONNEL

Recently an Assistant State Forest Ranger was driving south on Highway 17 with a fellow employee in a Forestry Ford pickup truck. It was a dreary morning with a light rain and hail falling. Suddenly the Forestry Driver noticed an approaching automobile begin to skid broadside as it came out of a slight turn just ahead of him. He tried to avoid a head-on collision by swerving as far right

as he could, but the other vehicle smashed into the front end of the pickup with its right rear end.

Both cars were totaled out. Both Forestry men, although shaken up badly, escaped death and broken bones because of their safety belts. The driver of the other vehicle, a Thunderbird, was killed.

- - - - -

UNION SAYS EXERCISE,
SKIP COFFEE BREAK

The following exerpt was taken from an article appearing in the Sacramento Bee, May 30, 1967. It emphasizes the need of exercise in maintaining an active full life. Of course it is essential that Forestry Personnel be in top physical condition. With this in mind, exercise and physical conditioning should be a part of our accident prevention program. The Royal Canadian Air Force Exercise Plans for Physical Fitness and Los Angeles County Fire Department Training Manual on Physical Fitness are excellent source material for developing plans for physical conditioning exercises.

"BURBANK (AP) - What's better than a coffee break?

'Exercise,' say representatives of workers at the Lockheed Aircraft Corporation's Burbank plant.

Officials of International Association of Machinists, Lodge 727, AFL-CIO, say they will press for a 30-minute exercise break each morning.

McNett said his local is reluctant to suggest that the exercise break be mandatory for all workers, but he said a change is needed in the present routine of two 10-minute breaks devoted to drinking coffee, smoking cigarettes and munching candy bars.

Lodge 727 will also seek regular physical exams for workers. McNett said corporation executives were told by their doctors to get regular check-ups and exercise regularly.

Same Advice

'We are just going to tell the companies that workers get the same advice from their doctors, and we want to take the advice seriously,

too,' he said.

The lodge president said doctors told union officials exercise is the best preventative known for many types of heart disease, tension, overweight and strokes.

'So, if we can prevent some of that, and save the company money in the long run, it is certainly worth considering,' said McNett."

TRUCK ACCIDENT TAKES
LIFE OF TRUCK DRIVER

It is with regret that the tragic death of a Forestry Equipment Operator occurring on March 8, 1967, must be reported. Hopefully the following information will be of use to you as a supervisor of drivers or as a driver to prevent death or serious injury.

On a pleasant warm day at about 3:30 p.m. the deceased drove off the road while driving his loaded dump truck about 10 m.p.h. up the 14 per cent grade of the Chalone Peak Lookout road. The truck rolled down the slope for a distance of about 465 feet. The driver's body was found at approximately 300 feet from the road where it was crushed by the truck as it rolled. For some reason, the duals of the truck indicated it traveled 100 feet along the outside shoulder of the road just before leaving it.

Before reaching the point where the truck went off the road, there is a straight section of 88 feet leading to a hump that blocks a driver's vision of the road as it extends up the hill. Immediately past this hump, the road narrows and turns slightly into the hill. The truck was driven straight over the hump, causing the right front wheel to leave the road. It appears the driver may

have made one desperate last attempt to rectify his mistake by turning the wheels sharply toward the hill, as indicated by the tire mark of the left front wheel.

Examination of the wreckage showed the truck to be a total loss. The inside of the cab indicated that the driver had been tossed around before being ejected, as blood stains were found throughout the cab. There were miscellaneous loose articles found in the cab such as a canteen, wrenches, etc. that became flying projectiles, that could have also inflicted injuries.

Apparently the driver was in good physical condition. The possibility of carbon monoxide poisoning was explored and rejected, since all the windows were rolled down and another driver had used the truck on the morning of the accident and detected no exhaust odors.

What can we learn from this experience that may save another driver from a similar fate? Several points were brought out that ought to be considered by supervisors and drivers.

1. Supervisors should check roadways to see that humps in the road are corrected or provided with stick markers so that the driver can see or determine the course of the road.

2. No unsecured small, heavy articles should be left in the cab.

3. All drivers must use seat belts, as this is part of the job requirement when working for the State. The State Highway Patrol stated there was a chance this driver's life would have been saved had he used his seat belts.

It is still the opinion of many equipment operators that they can jump free from a vehicle before an accident

happens, so they do not use seat belts. This idea is unsound for two main reasons:

1. The first impulse of a driver is to rectify a mistake or to avoid the impending accident, therefore he spends the few remaining moments trying to do all in his power to avoid or minimize the accident he sees developing before him. This, of course, assumes the driver sees the danger in advance.

2. Also, the driver must realize that his chances of jumping clear of a vehicle are slight since he has the same directional speed of the vehicle from which he is trying to escape.

Even if he has time (which he usually does not), he will hit objects and/or the ground at a force determined primarily by the speed of the vehicle at the times he leaves it. Even at very low speeds the resultant force at which he strikes objects will be in thousands of pounds.

In playing the odds, one is far safer being secured by seat belts inside a vehicle (metal container) than trying to jump to safety or taking a chance of being thrown out, or being tossed about loosely striking objects inside.

- - - - -

EYE GLASSES AT SPECIAL RATES FOR DIVISION PERSONNEL

Did you know that you may be eligible to get special rates in buying eye glasses, providing they are of the safety type?

In case you are wondering what safety glasses and frames look like, they are no different in appearance than regular glasses. Instead of paying \$40.00 for a pair of prescription glasses you are likely

to get the same frame with safety lenses for about \$15.00, a substantial saving as well as providing greater safety to your eyes.

Most of the people in the Division are not aware of the agreement that the Division has made with the California Optometric Association and the California Association of Dispensing Opticians. This agreement applies to all employees whose work exposes them to probable eye injuries from flying particles, sparks, repair of equipment, sharpening tools, operation of power driven tools, etc. The only classes not qualified to take advantage of this agreement are clerical, accounting personnel, lookouts, dispatchers who are not given fire line assignments, and camp cooks.

If you have need of prescription glasses and are qualified for safety glasses, consult your supervisor and Section 1232.31 Safety Glasses by Prescription of the Issuance Manual to determine how you go about obtaining them.

Be sure to discuss the price before ordering them so that it is understood you will get the industrial account.

- - - - -

CHOCK BLOCK SAFETY

Every year several vehicles are severely damaged because drivers do not practice chock block safety.

Why do these accidents occur? Apparently drivers have come to feel that the micro brake is the "fail proof" device that will always hold the truck. This is simply not so. In every instance the micro switch was set, but the truck rolled away. There is again no substitute for chock blocks.

Last year a fire truck was very nearly totaled out when it got away and hit a large tree at the bottom of

the hill. Fortunately the truck hit the tree or it would have gone through an occupied home. If this had happened, possible death and extensive property damage would have resulted.

The latest accident occurred April 3, 1967, where a foreman left his pickup truck in second gear with the micro brake set on a 7 to 9 per cent grade. However, the vehicle still rolled downhill while in gear, and overturned in a drainage ditch. The damage amounted to an estimated \$850.00.

Heed the accident prevention this foreman recommends from the study of his own case to accomplish future accident prevention:

"1. Make chock blocks a part of all Forestry Vehicle's basic compliment. (As of this date, I know of no Forestry pickup which is provided with chock blocks. The chock blocks in this truck, although not used, were borrowed from other equipment.)

2. Chock blocks should be mounted on the driver's side directly behind the cab, along the side bed of the pickup, so as to make them readily available.

3. A sticker should be placed on or near the emergency brake, reading 'chock wheel before leaving vehicles on hills.'

4. Install safer (or properly maintain) emergency brakes on vehicles, as many units have faulty brakes and when used in conjunction with the microswitch they give the driver a false sense of security."

In view of the above remarks, are you as a State driver playing the game of chance or practicing chock block safety?

THIS DRIVER DID NOT PRACTICE
CHOCK BLOCK SAFETY!

SAFETY PROGRESS REPORT

If we look at yearly statistics, one might conclude we haven't gone very far in our efforts to reduce injuries and direct costs arising from accidents.

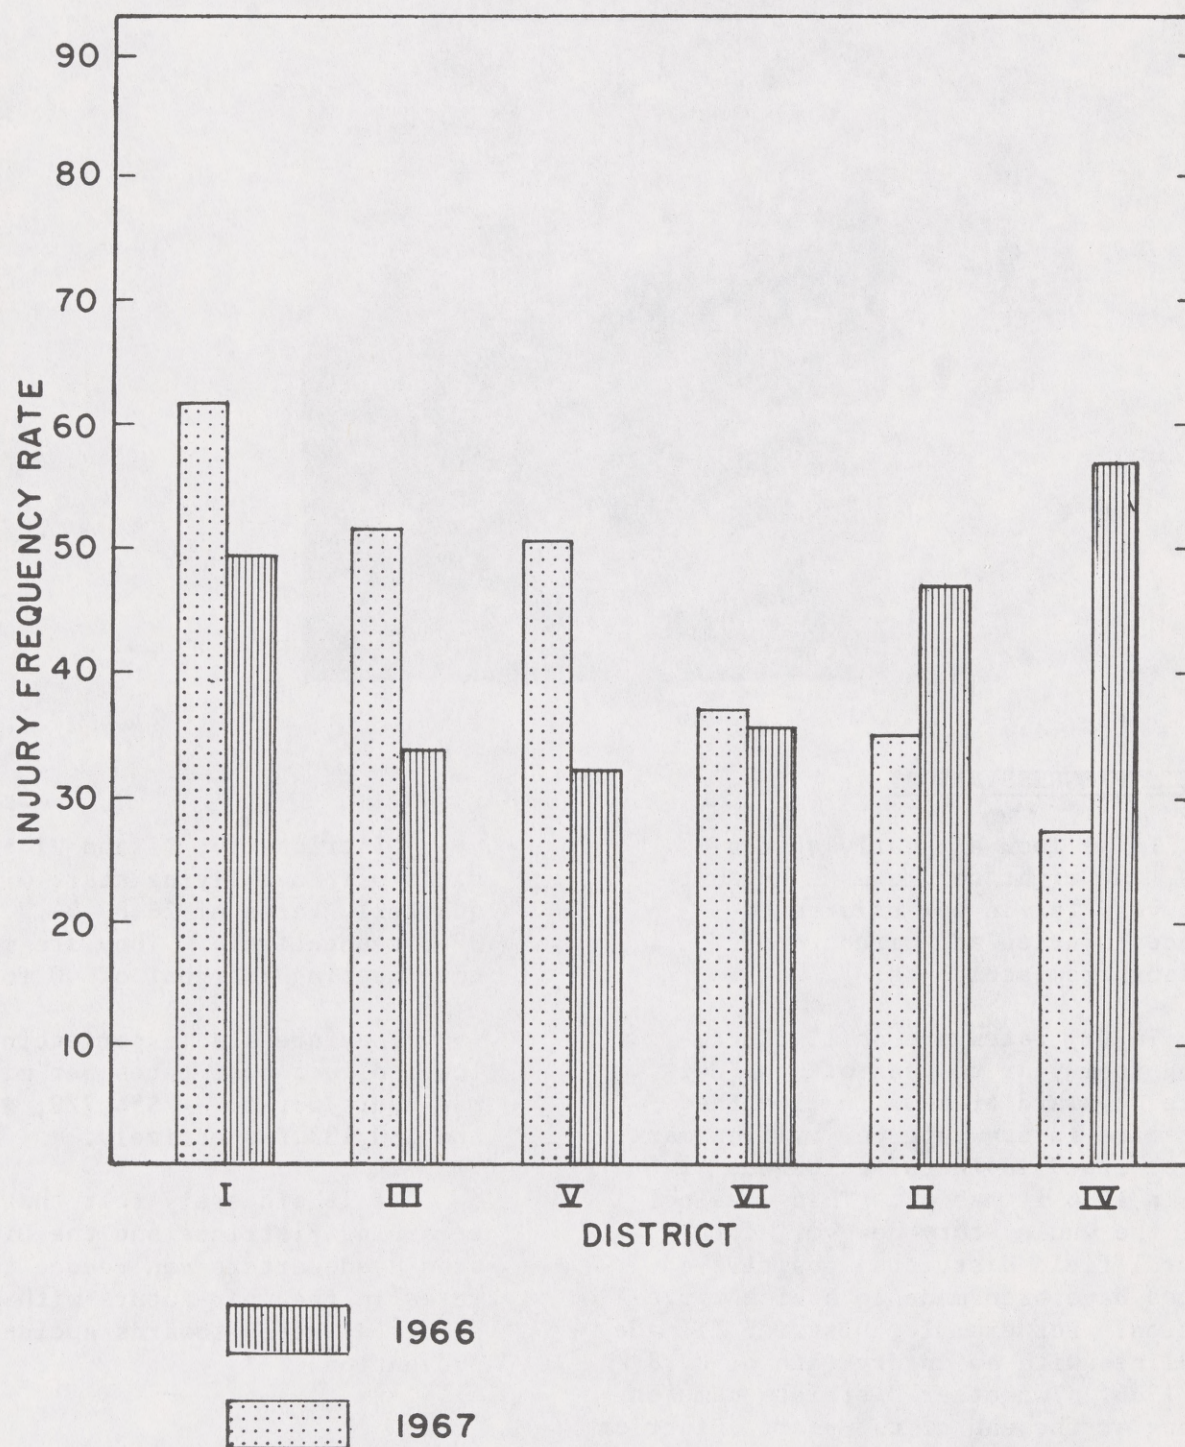

Injury rates are still fluctuating from year to year with no definite downward trend. In 1965 the lost-time injury rate per million man-hours worked in the Division was 41.6 and in 1966 it was 47. This does not tell the whole story however, for in several field districts, positive advances have been made in accident prevention. For example, District II made headlines with an injury rate of 27.8 for 1966. Two other Districts came on strong at the end of the year. District VI finished the year with an overall rate of 43.8. District IV made the lowest mark of the year in the fourth quarter with a rate of 17.8.

Districts IV, II and VI are again off to a flying start with quarterly rates of 26.8, 34.7, and 37.3 respectively. They are more than meeting the goal of 40 for 1967.

They are also experiencing the lower direct cost rates per million man-hours worked -- \$34,729, \$14,394 and \$80,133 respectively.

It is sincerely felt that the remaining districts and the Division Headquarters can reduce their rates in the near future with more effort directed towards accident prevention.

KIDS MAKE OUR JOB WORTHWHILE

One of the things that keeps us in "this business" and strengthens our faith in the youthful generation is typified by the following letter to Murietta Superintendent Al Filipini signed by all 31 members of a class from Huron School in western Fresno County:

"Thank you for arranging the trip to the Murietta Conservation Camp. I had a good time and so did the rest of the boys and girls in our class. It was a very good trip. I think it was the best one that I have been on this year. I thought that it was very interesting.

I also enjoyed Mr. Wolfram's talk on wild flowers. The three men that cleared the land for our classes, the Boy Scouts will put our names on the stake."

FRANCES SKEWES RETIRES

Frances Skewes, Senior Steno in the Fire Prevention - Law Enforcement Section of the Headquarters Office of the California Division of Forestry retired on June 30, 1967, after 30 years of service to the State of California.

Frances, a past Chapter Secretary and a charter member of Chapter 127, CSEA, is a native of Sutter Creek in Amador County.

The "bright lights" lured Frances to the big city of Sacramento and to a job as Typist in the Department of Motor Vehicles in 1937. She was ambitious and eager in her career and progressed "through the chairs" of the Personnel Board, the Department of Agriculture, and then on to Youth

Authority before moving to the "Senior Steno" position in Forestry where - by association and not by resemblance, she is known affectionately as Mrs. Smokey Bear for her 20 years of work in the fire prevention field.

Frances plans to relax, play golf, and enjoy life including her daughter's three children and plan ahead for the activities which she and husband Burt, a member of Chapter 58, can enjoy together after his retirement in 1969 from the Division of Highways.

Friends and co-workers held a party in honor of Mrs. Skewes on July 8, 1967, at the El Rancho Motel in West Sacramento.

DEWITT NELSON

Dewitt (Swede) Nelson
was one of the speakers
at the dinner.

FRANCES AND HUSBAND

Frances Skewes displays

right is her husband
Burt.

GIFT PRESENTED

Lew Moran, Chief Deputy, presents gift from Forestry employees.

Bob Burns' daughters provided the entertainment at Frances Skewes party. Bob works in Fire Prevention in the Sacramento Office.

LETTER TO DIVISION OF FORESTRY
FROM NEVADA STATE DIVISION OF
FORESTRY

HELP NEEDED

"I am not exactly trying to steal members of your staff, but I do have openings for two foresters and could use your assistance in getting the word out to those who might be interested. Enclosed please find an announcement concerning the positions. Any help you can give would be appreciated. Please have interested candidates contact me.

Thanks a lot."

George Zappettini

The following is an announcement from the Nevada State Personnel Division:

OPEN-COMPETITIVE EXAMINATION FOR

FORESTER II

Salary: \$7416 to start. Merit increases to \$9000 (Effective July 1 - Salary: \$7776 - \$9456)

FILING PERIOD

Applications will be accepted until further notice.

THE JOB

Under direction, (1) in Northern Nevada, has the responsibility for coordinating, implementing and supervising district forest protection, forest management and conservation Honor Camp programs; OR (2) in a staff capacity has the responsibility for developing and presenting an effective statewide program in forest management or fire protection; and performs related work as required.

MINIMUM QUALIFICATIONS

Graduation from an accredited college or university with major work in Forestry or closely related conservation fields and three years of progressively responsible experience in organized forest management and fire protection work which has included the responsibility for the planning, developing and implementation of effective forest protection and/or management programs and the conducting of surveys and special studies.

LOCATION: Carson City, Nevada

LICENSE: Must possess a valid State Motor Vehicle Operator's license at the time of appointment.

ABOUT THE EXAMINATION

The examination will consist of a Written weighted 50% and an Oral weighted 50%. The written may include: forest management, fire protection, public relations and principles of supervision. The oral will be held for the purpose of evaluating each candidate's education, experience and personal fitness for the position.

FORESTER II 2.806
Announcement #845
PEP

6-2-67

APPLY: Nevada State Personnel Division, Carson City or Las Vegas, Nevada.

NEWS NOTE

April 6, 1967

Ray Clar was admitted to active membership in the California Writer's Club. This club was founded by Jack

London and other famous writers of the early 1900's. Active membership is usually limited to successful writers of commercial material.

* * * * *

Q: I've been watching those Smokey the Bear forest-fire prevention advertisements for a good number of years. Undoubtedly they are effective, but I'm curious to know how much money the U.S. taxpayer is socked for such extensive national promotions. *George Bhen-son, Newark, N. J.*

A: None. The ads are a public service campaign of the Advertising Council, which is supported by major American business firms.

* * * * *

MegaHertz? (MHz) or MegaCycle? (Mc)

Persons reading about 2-way radio will notice a new designation given where frequencies are mentioned. The new symbol - Hz (Hertz) -- has been recommended by the International Electrotechnical Commission as the new standard symbol for "cycle per second". The Institute of Electrical and Electronic Engineers (IEEE) also has recommended this new name. Hertz is derived in honor of the great German physicist Heinrich Hertz who discovered the electromagnetic wave produced by oscillation of electricity in a conductor. Hertz' discoveries are widely used in today's electronic devices. So... you should see more and more of this new symbol -- Hz (Hertz). In most 2-way

radio equipment you will see a prefix symbol such as M (Mega) (Million). Thus the classic designation for high band radio, 150 Mc, becomes 150 MHz in the transition. Translated, this means that the high band 2-way radio operates in the frequency range of 150 million cycles per second.

LONG DISTANCE (SKIP) INTERFERENCE APPROACHES HIGH SPOT IN CYCLE

A recent public notice issued by the FCC warns users operating between 25 and 50 MHz of increased sunspot activity which can affect -- even disrupt-- normal communications for hours at a time. The interference is caused by increased reflection of radio signals from the ionosphere. The interference will increase in frequency until it reaches a peak in the winter of 1968-1969 when sunspot activity is most intense. Thereafter, interference will gradually abate until it reaches its low point midway in an eleven-year cycle. Low band users will be most affected. Users in higher frequency bands are not affected to any great degree by skip. In our case, the CDO Radio System, installed in many of our Dispatch and Communications Centers, is being seriously affected. In the Sacramento Dispatch and Communications Center radio interference from as far away as New Hampshire was monitored. Luckily, this interference is at its worst during the winter months.

Charles Columbro
State Forest Ranger

LETTER TO EDITOR OF "AMERICAN
FORESTS"

SMOKEY UP IN FLAMES

"EDITOR:

I am willing to give General Electric Company 'A for effort' on its Thanksgiving Night program, 'The Legend of Smokey the Bear,' but I fail to see what educational advantage is derived by having Smokey, the symbol for forest fire prevention, set a fire to burn down a gorilla. As a conservationist, I encouraged my family to watch this program so they could learn first hand about conservation and accordingly they all duly assembled at the appointed time. It was a disappointment and to my mind the whole program was largely senseless. Prime time or not, if the true Smokey at the Washington Zoo could understand what they have done to his image, he would probably be as 'burned up' as that gorilla.

Chris V. Holding
RFD Box 524
Del Mar, Calif."

DISTRICT II NEWS

DISTRICT II DRIVERS RECEIVE
25 YEAR AWARDS

Two Schedule "A" Firetruck Drivers were honored recently for having completed 25 years of service with the Division of Forestry. Drexel "Doc" Agner and Cero Spaletta were presented with the traditional pin and certificate by Assistant Deputy Herb Kaufner at a luncheon held in Red Bluff. The careers of these two men are rather unique in the Division. Not only have they been assigned to the same Ranger Unit, but Agner has spent his entire 25 years at

the Los Molinos Station and Spaletta has spent his entire time at the Corning Station. Because of these long-term assignments, both "Doc" and Cero have made many friends, not only for themselves but for the Division as well. Both have been instrumental in the formation of Volunteer Fire Departments and are highly respected for their intimate knowledge of their respective areas and their firefighting abilities.

ASSISTANT DEPUTY RECEIVES GOOD
CONDUCT RIBBON

At an appropriate ceremony, recently held in Red Bluff, Assistant Deputy State Forester H. B. Kaufner was presented with a genuine, authentic "Good Conduct Ribbon". The citation, which was duly read by Associate Ranger R. Kerstiens, gave the following reason for Mr. Kaufner being chosen for this coveted award.

"During a recent and severe snow storm in Tehama County, Assistant Deputy State Forester H. B. Kaufner came upon a fair lady in distress. Without regard for his health and safety or the possible soiling of his 'Full Dress' uniform, he braved the elements and installed the lady's tire chains on her car. Then, as though this was not enough, he followed the lady down the treacherous road until she was safely out of the snow zone where he expertly removed the chains. This brave and chivalrous act will long be remembered by the citizens of Tehama County."

We feel that this act definitely puts Mr. Kaufner in the running for the "Assistant Deputy of the Year" award. Mr. Kaufner seemed to be a bit embarrassed to know that word of his deed had leaked out. It was also obvious that he was deeply moved by the whole affair. He soon, however, regained his composure and said modestly, "Shucks,

it was nothing more than any red-blooded Assistant Deputy would have done".

Assistant Deputy State Forester H. Kaufner presents pin and certificate to Drexel "Doc" Agner, Firetruck Driver.

Assistant Deputy Kaufner presents 25 year award to Cero Spaletta, Firetruck Driver.

William Siles, State Forest Ranger II, pins "Good Conduct" Ribbon on Assistant Deputy Kaufner.

DISTRICT III NEWS

RECOGNITION OF 25 YEARS SERVICE

Orville Ingram, Assistant State Forest Ranger, was recently honored by fellow employees and friends upon completion of 25 years of service with the Division of Forestry. The award was made by State Forest Ranger Ted Waddell at a picnic in Grass Valley, May 24th.

Orville began his career with the Division in April 1942, as a Truck Driver in San Diego County. Orville was promoted to Foreman in September 1945, after returning from a two-year stay in the Army.

In March 1948, he was promoted to Assistant State Forest

Ranger in Tulare County. In June of 1950 Orville was transferred to the newly organized Mid Valley Fire District in Fresno County where he remained until 1958, at which time he was assigned Assistant Ranger in charge of fire protection at Squaw Valley for the Olympic Games.

Orville remained at Squaw Valley until 1961 when the Division of Forestry relinquished the fire protection to Beaches and Parks. At this time, Orville was transferred to Nevada-Yuba Ranger Unit where he was assigned the Dobbins Assistant Ranger District, where he has made his home.

Orville receiving his 25 year pin from State Forest Ranger Ted Waddell. Orville's wife Eunice is at his left.

FORESTRY FOREMAN RETIRES

Evan W. Thomas, Forestry Foreman II is seen above displaying a Certificate of Appreciation of Service which was presented to him at a banquet which was given in his honor at the Bret Harte Hotel in Grass Valley on the evening of June 3, 1967. Mr. Thomas is seen here with his wife Clara and daughter Marjorie.

The Certificate was one of many wonderful mementos received in the presence of more than 100 friends.

Evan has worked for the Division more than 22 years. He has held the classifications of Forest Fire-

fighter Foreman and Forestry Foreman II, all of which has been in Nevada County.

Mr. Thomas and his wife Clara will continue a Nevada County residency.

BOWLING LEAGUE

On May 7, 1967, the CDF District III mixed Bowling league finished its season with a luncheon and presentation of trophies.

The Placer County team was crowned the "New League Champions".

The perpetual trophy was taken from the Amador County team after they had kept it for two years.

High Series Scratch,

Women - Bonnie Sproul
Men - Robert Vaughan

High Series Handicap,

Women - Alberta Allen
Men - Alvin Puppo

High Game Scratch,

Women - Ida Cartwright
Men - Alan Munsen

High Game Handicap,

Women - Shirley Carpenter
Men - Everett Judge

New officers were elected for the coming winter bowling league:

President - Robert Vaughan
Vice President - Alvin Puppo
Sec.-Tres. - Alberta Allen

President Vaughan stated that if there are any counties or conservation camp units wishing to enter the league next season, please contact Alberta Allen or Robert Vaughan by October 1, 1967.

DISTRICT V NEWS

GIVING A GOOD ACCOUNTING

George H. Marten, Accountant I for the California Division of Forestry, was honored in Monterey on May 9, 1967, for a quarter century of State service. Carl Albertus, Assistant Deputy State Forester of the Central Coast District (Left), presented Marten with a letter of commendation from State Forester Francis H. Raymond and a 25 year pin during a meeting of the District Rangers,

George H. Marten

Camp Superintendents, and Headquarters Staff. George was also the guest of honor at a stag dinner held in the California Bear Restaurant on Cannery Row, Monterey.

Marten worked with the State

Civil Defense War Council in his native San Francisco for two years before joining Forestry there in 1944. In 1947 Forestry's District Office was relocated in Monterey and Marten and his wife, Elvie, moved to their present home in Carmel Woods. His daughter, Mrs. Marilyn Bradley, attended Carmel High School and Monterey Peninsula College and now lives in Fresno with her husband and two children.

EDGAR LEE MC CAFFERTY

Edgar Lee McCafferty, 43, Forestry Equipment Operator for the Monterey Ranger Unit, District V, was fatally injured March 8, 1967, when the dump truck he was driving ran off the Chalone Peak Lookout Road and rolled 465 feet.

Edgar Lee McCafferty had been employed as a FEO at Carmel Hill Forest Fire Station, Monterey Ranger Unit for the past three years.

A native of Gavin, Oklahoma, he was born November 4, 1923, and was a veteran of World War II service in the Navy. With his wife, Rose, he had made his home in Seaside for the past 20 years.

Also surviving are three sons, John Vincent McCafferty of Porterville, Edgar Lee, Jr. and James Patrick McCafferty of Seaside; two daughters, Rose Ellen and Jane Ann McCafferty of Seaside; his parents, Mr. and Mrs. Ben McCafferty of Stockton; four brothers and three sisters all living in California.

Funeral services were held Saturday, March 11, in Seaside with a private burial in Golden Gate National Cemetery, San Bruno.

ERNEST SAIRS PENNINGTON

Ernest Sairs Pennington, 53, Forestry Superintendent of Ben Lomond Youth Conservation Camp, District V,

succumbed to a heart seizure April 6, 1967, while on annual military leave at the USMC Camp Pendleton, California.

Ernie, who was born in Salinas, California, April 2, 1914, had just completed 28 years of State service, was also a 32 year veteran of the Naval Reserve, and was on annual active duty at Camp San Onofre, Pendleton when he was overcome.

He held the rank of Chief Builder in the Seabees and had served with the Navy in World War II from 1942 to 1945.

Ernie is survived by his wife, Florence; his Mother Mrs. Ola McLellan; a daughter, Mrs. Donna Edward; a sister, Mrs. Lynette Enns; and two grandchildren; all of Santa Cruz.

Full military funeral services were conducted by his Naval Reserve Unit on Tuesday, April 11, both in services at White's Chapel in Santa Cruz and at Golden Gate National Cemetery, San Bruno.

BEN LOMOND'S NEW SUPERINTENDENT

Forestry Superintendent Wilbur J. Wade, shown on the following page, is shown being welcomed to District V by Deputy Emery Sloat (on the right) and Camp Coordinator Dick Bawcom (left). Wilbur has been appointed to the Ben Lomond Youth Conservation Camp replacing Ernie Pennington, who passed away in April.

Wade transferred to his new job from the District IV Mobile Camp near Springville.

Wilbur began his career with the Division in 1952 in the Mendocino Ranger Unit as a Forestry Equipment Operator. Within a year he was a Foreman. In 1955 Union Lumber liked his style and offered

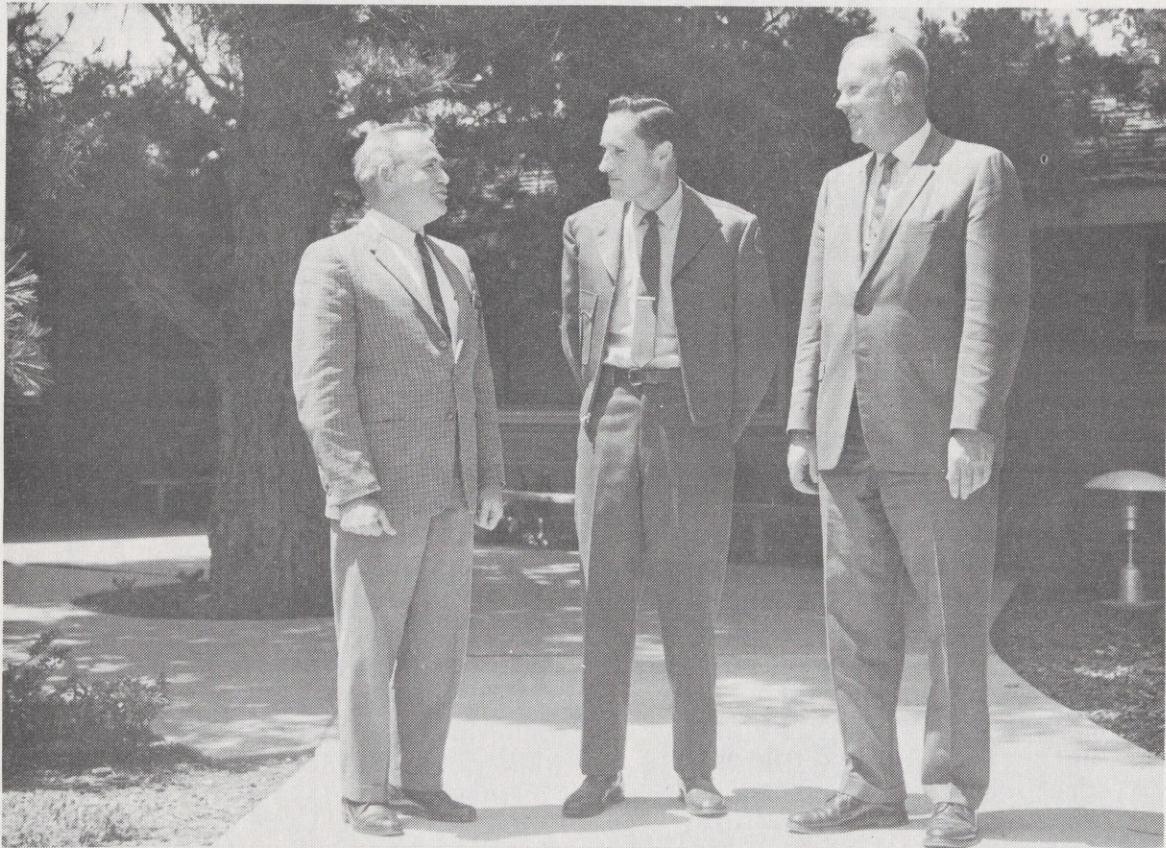

him a woods operation position as fire patrolman. But his heart was with the State Forestry and back he came in 1957 as a Project Foreman at Parlin Fork. Hard work and study helped him successfully pass the Assistant Camp Superintendent exam and in 1960 he was appointed to that position in Parlin Fork.

In early 1965 Wilbur promoted to Forestry Superintendent for District IV's 19-trailer Mobile Camp.

A native Californian, Wilbur was born in Redlands and moved to Lake County when very young. He graduated from the Upper Lake High School just prior to going to work for the Mendocino National Forest in 1946.

He enlisted in the U. S. Army Combat Engineers in 1949 and saw service in Korea before his discharge in 1951.

Wilbur's wife, Blossom; daughter, Vickie, 13; and son, Martin, 11, will join him in Ben Lomond.

From left to right, Camp Coordinator Dick Bawcom, Forestry Superintendent Wilbur J. Wade, and Deputy Emery Sloat.

HAPPINESS IS YOUR OWN RANGER UNIT

Smiling about the whole thing as they recently planned for a smooth change over of Santa Clara Rangers are these three happy men from District V; (L-R) Ranger III Jack **Burke**, District Deputy Emery Sloat, and Ranger III Ross Dunwoody.

Jack Burke, who somewhat ruefully relinquished his position as Ranger of Santa Clara, rejoiced in the fulfillment of a lifelong dream with his appointment as Ranger of San Bernardino, replacing his old friend and mentor, "Butch" Skinner.

Emery Sloat was pleased to have Ross as his new unit manager even though he regrets losing top-notch administrator Burke, and Ross Dunwoody beamed his pleasure in his July 1st promotion to Ranger III in charge of one of the Division's largest Ranger Units.

Ross was born in Des Moines, Iowa, in 1916 and began his for-

estry career in 1935 with the old Civilian Conservation Corps. In 1936 his Ozark-based CCC Company moved to Weott, California, and in 1938 he started to work for the California Division of Forestry as a Foreman in the Humboldt Ranger Unit. He promoted to Assistant Ranger in 1942.

Enlisting in the Navy in 1943, Ross served as a Shore Patrolman until his discharge as a Boatswain Mate Second Class in 1946.

Ross immediately resumed his Division career and in 1948 promoted to Associate Ranger in the Lake Ranger Unit and in 1952 transferred as Associate Ranger to the Napa Ranger Unit. In 1957 he promoted to State Forest Ranger in his most recent assignment on the State Forester's Staff in Sacramento.

Dunwoody is a Director of the California State Firemen's Association and a member of the California Fire Chief's Association and

the California Rural Firemen's Association.

His wife Barbara, and son, David, 13, will join Dunwoody in Morgan Hill. Another son, Frederic, 23, is married and lives in the Midwest.

* * * * *

This eight-day program guided 15,000 high school freshman and sophomores through 40 booths and several seminars representing various professional and semi-professional occupations.

The California Division of Forestry booth was attended for six hours each day by Reed and

SANTA CLARA CAREER INSTITUTE

Assistant Ranger Bill Reed and Junior Forester Tom Hope are shown in this photo attending the Santa Clara Ranger Unit information booth at the Santa Clara County Career Guidance Institute held recently in San Jose.

Hope who reported genuine interest from many of the participants. In the words of Assistant Ranger Reed, "Reaching the ninth and tenth grader while there is time to help them establish their vocational studies, is the best part of this excellent institute".

DISTRICT VI NEWS

25 YEAR CERTIFICATE

Assistant State Forest Ranger Richard A. Chadwell (right) receives congratulations, a hearty thanks for a job well done, and a twenty-five year certificate from Deputy State Forester Mike Schori. The presentation was made at a meeting of Conservation Camp administrators in the District VI headquarters Conference Room.

Chadwell's career began in 1941 in San Benito County and later progressed to Santa Clara and Monterey Counties. After a two-year hitch in the Armed Forces, Chadwell returned to Santa Clara County, was promoted to Assistant Ranger, and in 1960, he moved to southern California where he took over duties at Minnewawa.

State Forester Francis H. Raymond recognized Chadwell's twenty-fifth anniversary with the California Division of Forestry by letter in which he extended congratulations and a wish for "many more years of successful work and good health".

LETTER FROM JUNIOR MEMBERSHIP, CALIFORNIA FEDERATION OF WOMEN'S CLUBS TO DISTRICT VI

"Your display at our State Convention was very informative and attractive. Thank you so much for helping to make our Convention successful. I'm sure the California Juniors will continue their interest and enthusiasm in the Fire Prevention Programs.

Thank you for the Award your Department presented our President. Many clubs worked very hard this year and certainly earned recognition.

I hope you benefited from attending our Convention and found time with your busy schedule to enjoy yourself.

Mrs. Richard Burgard
CFWC, JM Conservation
Chairman
May 29, 1967

SAN BERNARDINO RANGER UNIT SCORES AGAIN

Men of the San Antonio Forest Fire Station scored again in control of a structure fire on the Rancho Santa Teresa in San Bernardino County.

Owner Alan Couch wrote to Ranger "Butch" Skinner complimenting the crew on their fine work. He stated in part, "it seemed almost impossible that you could put this fire out without water damage to the interior of the house but you did".

Ranger Skinner and Associate Ranger Tom Bryan are proud enough of the work to tell the rest of the California Division of Forestry about it.

LETTER FROM RANCHO SANTA TERESA

"I am tardy in thanking you for the fine work your men did in extinguishing the fire in my residence recently. Your alertness in calling the Upland Department also was appreciated.

It seemed almost impossible that you could put this fire out without water damage to the interior of the house but you did.

It is gratifying to know that this protection is so near and that the men are so efficient.

Thanks again.

Alan A. Couch
March 18, 1967 "

KOPPERS COMPANY FIRE

On April 6, 1967, at 1120 hours, an explosion and fire occurred at the Koppers Company, Inc., Tar and Chemical Division, near the city of Fontana. A boiler tank containing 20,000 gallons of bituminous emulsion exploded and spread over an area of 200 feet by 300 feet. The cause was attributed to a fault in the boiler tank; damage was estimated at \$100,000. Two workmen narrowly escaped injury at the time of the explosion. A total of four fire trucks, both county and state, responded. Following is a letter by the owner of the company.

"I want to express my sincere thanks to your organization and particularly to those men who assisted in putting out the fire at Koppers Plant on April 6. Their quick arrival and most efficient operations at the scene

of the fire kept the damage to a minimum.

Please convey my deepest gratitude to your men for their fine work.

Thomas M. Leake
Plant Superintendent
Koppers Company, Inc.
Tar & Chemical Division
Fontana, California
April 11, 1967"

SOUTHERN CALIFORNIA TRAINING CENTER

Since the Training Center's final graduation ceremony was held on June 9, 1967, and since this was somewhat an historical occasion as far as the Division is concerned, we thought the following would be worthy of inclusion in the newsletter:

The final graduation ceremonies were held at the Southern California Training Center on June 9, 1967, marking the completion of nearly ten years of training Forestry personnel by this facility. The graduation class numbered nineteen and brought the total number of personnel graduated from this center to approximately twelve hundred for the ten year period.

Guest speaker at the ceremony was Geoffrey Snow, Division of Forestry Training Officer from Sacramento Headquarters. Other guests attending were: Michael Schori, Deputy State Forester, Assistant Deputy Joe Springer, Ranger Jim Fenlon, Associate Rangers Dick Bolster and Don Russell, all from District VI. Ranger Walter Francis, San Mateo Ranger Unit District V, Forestry Equipment Engineer Walter Harkness, Sacramento Fire Control.

Members of the graduating class were from District IV, V, and VI in

the following numbers: District IV four, District V one, and District VI fourteen.

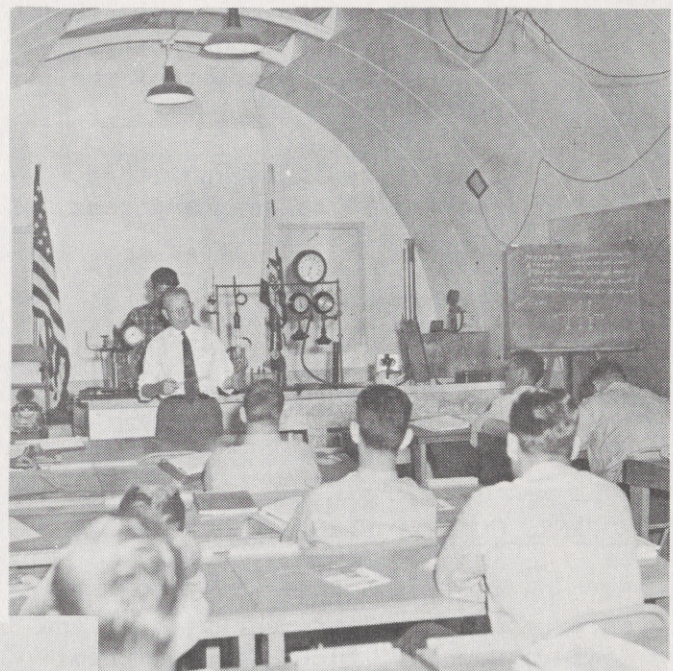

The Southern California Training Center, a District VI staff function, became operational on November 4, 1957. At the time of it's opening until November 30, 1966, the Center was under the direction of Walter Francis, State Forest Ranger. The Center was the first organized unit formed to accomplish the specific job of formal training for Division personnel.

In the initial years of it's operation, the Training Center served mainly District IV, V, and VI, however in recent years training in the Forestry Foremanship and Forestry Equipment Operator Courses has included employees from the entire state. During it's ten years of operation the Center has conducted 46 Equipment Operators Courses.

Since December 1, 1966, the Center has been under the direction of Associate Ranger Pressley Kent with a staff consisting of Assistant Ranger Hector Reed, Foreman Jon Rolland, James Allen, Wilford Patterson, Bradley Romaine, and Inter-

mediate Stenographer Joraye Polk. Forestry Cook II William Kelley and one nine-month Food Service Assistant position made up the staffing in the messhall.

The Southern California Training Center operation was discontinued in the interest of economy with the advent of the new Center located at Ione in Amador County. It is anticipated that the Division's training needs can be met by the single Center.
